Dear Ed:

25X1C4e Thank you for your letter of September 4, regarding the
25X1C4e possibility of your contracting with the [REDACTED]
[REDACTED] to make duplicates of their old film.

25X1C4e In answer to your question, we encourage you to work out
an arrangement with [REDACTED] of the sort you describe pro-
vided that such an arrangement be conditioned upon the following:

1. Our work would have priority up to the full use of your facility.
2. Any additional maintenance to machinery and equipment which came about on account of the [REDACTED] project, would be charged to that department.
3. No additional personnel would be required.

25X1A9a I am sure that the security problem could be covered in a
manner similar to that which you suggest. [REDACTED] would,
however, wish to review the specifics of these arrangements
before we could give a final go-ahead.

Sincerely yours,

Dan
